

**Defy Frost Free Fridge Freezer with  
Water Dispenser – Metallic –  
DAC639.**

Introducing our cutting-edge refrigerator that combines efficiency, innovation, and ample storage space to meet all your cooling needs.

Defy's Frost Free Fridge Freezers have two separate cooling systems for each compartment which maintain ideal air flow and optimal temperatures with a high level of humidity in both the freezer and the fridge.

The result is faster cooling for longer freshness with no frost build-up. There will be no odour transfer between freezer and fresh food compartments so your food will taste the best, no matter where it is stored.

Rest easy knowing that your purchase is protected with our 3-year warranty. And, when you register your refrigerator, you'll receive an additional 2-year warranty, providing you with long-lasting peace of mind.

Upgrade your kitchen with our feature-packed refrigerator, combining energy efficiency, advanced cooling technology, and spacious storage capacity. Enjoy fresh and organized food, effortless access, and the assurance of our warranty for years to come.
